

BLACKWOOD THURSDAY CUBSCOUTS PROGRAMME TERM 1 2018

This program gives a basic idea of what we will be doing during this term. Please keep it handy, and help your child to prepare for any activities as required. Full Cub uniform is always worn unless it is advised otherwise.

Please assist your cub to remember their BP kit. This is yellow book, pen/pencil and paper, handkerchief, 50 cents, 1 metre of cord/string, 2 band aids (would also be handy to have a safety pin or two attached to the underside of your pocket flap) and full uniform including neckie around your neck.

I encourage the cubs to make sure that they are responsible for their commitments and that an apology is sent if they are not able to come to cubs for some reason - text to my mobile is preferred.

Please note that during the beginning of this term there will be construction work around the rear of the hall. While the toilet block is being renovated, we will have a portable loo on site.

Looking forward to spending lots of time outside in good weather this term.
